1998 BMW Z3 3.2 S50 M Coupe finished in Arctic Silver with Black and Imola Red Nappa leather . This iconic car needs no introduction one of only 821 right hand drive cars built and one of the first built being produced on the 16/08/1998. This stunning example has clearly been maintained to a very high standard which reflects in the way it looks and drives. Specification includes Harman kardon , Sunroof , Side airbags , Electric heated seats , Air conditioning , A Becker head unit has also been fitted which is in keeping with the interior . We have a full service history with the first 13 services being carried out at BMW and a huge folder of invoices and receipts for various work carried out , The vanos solenoids were changed by BM sport 1,000 miles ago. The bodywork is in superb order as is the interior which is a very pleasant place to be. I have always wanted to drive one of these and it lived up to my expectations the handling is phenomenal and the power delivery is smooth and powe
